HOUSECUT certified fish & seafood products are the best quality, safety & freshness that any fish & seafood can have. We make sure only optimal standards are applied to our HOUSECUT certified brand. Quality above all else is the HOUSECUT certified way.

- Only the **FRESHEST** fish & seafood products are used.
- The **LARGEST** fish available for the best portions & fillets.
- **QUALITY** inspected, assured fish & seafood.
- Entire **COLD CHAIN** is refrigerated from the storage facilities, processing rooms to transport trucks.
- Product never sees warm temperatures in any part of our cold chain.
- Federally registered **QMP, HACCP, GFSI & SQF** Certified.
- Full **TRACEABILITY** on every single kilogram of fish.
